Extra - A Family Perspective by Bud Ozar

It is interesting we call the first person of the Trinity, Father. Our dads help us understand God as Father in the way they love, protect, teach, discipline and spend time with us. What an awesome responsibility, to be the window through which children view God.

HAPPY FATHER'S DAY TO ALL !!!

"For we must all appear before the judgment seat of Christ, so that each one may receive good or evil, according to what he has done in the body." – 2 CORINTHIANS 5:10

We are all accountable for the gifts God has given us – our time, our talent and our treasure. Each of us is accountable not only for our own life but for the lives of others as well. One day God will ask each of us what did we do with the gifts we were given. How will you respond?

Family Perspective by Bud Ozar

Parenting is a lot like the story of the farmer in the gospel parable today. All growth is the Lord's work. We have no control over the process. In fact, the farmer doesn't even understand it, for the seed grows even when he sleeps. As parents, we can influence our children but nothing we do can guarantee results.

HAPPY BIRTHDAY FR. CODY!!!!

Wishing you a very happy birthday and many more to come. Hope you enjoy your special day! God Bless you always.
